

## The men's *testosterone stack*.

KSM-66® 600MG · CLINICALLY DOSED · MADE IN LONDON

### 01 TESTOSTERONE, THE GOLD STANDARD

KSM-66® Ashwagandha 600mg — +14.7% testosterone vs placebo in peer-reviewed trials.

### 02 STRESS & CORTISOL, DOWN

The same root extract that lifts T calms the system that suppresses it.

### 03 ENERGY, NOT FATIGUE

Magnesium Bisglycinate — the testosterone cofactor your muscles actually need.

### 04 FIX THE BRITISH-WINTER DEFICIT

Vitamin D3 for testosterone and immune support. Sunlight not included.

### 05 T AT THE CELLULAR LEVEL

Zinc: low zinc, low T. It's not complicated.

### 06 UP TO 20× ABSORPTION

BioPerine® black pepper — the bouncer that makes sure everything gets in.

### 07 THE CLINICAL DOSE, OPEN-LABEL

600mg KSM-66® — the exact trial dose. No proprietary blends, no fairy dust.

### 08 FIVE THAT EARN THEIR PLACE

No filler, no fairy dust, no motivational nonsense — just what works.

### 09 MADE IN LONDON · GMP

Proper oversight. We know exactly what's in every capsule.

### 10 NO STIMULANTS

A daily recalibration — not a caffeine hit.
